The Global Think Tank

Dear Işıl,

As the Secretary General of the Diplomatic Council, let me express my congratulations to you for having been nominated a DC Preferred Partner Clinic. It has been a pleasure for me to award the 2025/2026 certificate to you.

You are entitled to use all attached documents for marketing purposes. We recommend that when using the DC Logo on your website, you should also link it with the DC website (www.diplomatic-council.org) so whenever interested parties click on the logo they are directed to the DC website. You are furthermore invited to use the logo on all your online and printed marketing and sales material. In your signature, you may use „DC Preferred Partner Clinic 2025/2026“.

The Diplomatic Council will promote the Temos directory within its network in order to promote the DC Global Healthcare Forum and consequently your clinic as well.

The process is an ongoing one for 2025/2026 and as long as you are accredited with Temos.

Once again, my sincere congratulations!

Best regards,

Hang Nguyen

Secretary General Diplomatic Council
